

## PETITION 2 - REQUESTING A HEARING ON PESTICIDE USE IN WASHTENAW COUNTY

We, the undersigned residents of Washtenaw County request that our local government elected officials prohibit the use of any pesticides/insecticides or genetically modified Bt agents for any City/Township-wide or County-wide pest problems (including mosquitoes, gypsy moths, etc.); before holding a public hearing/meeting to determine:

1. Whether or not inhabitants of said City/Township/County desires pesticide spraying, etc., on and around our public lands and public places which may also include our homes, private property, day care centers, schools, playgrounds, hospitals, parks, rivers, and streams, etc., and/or;
2. Whether or not the issue of using pesticides, etc., should be placed on a ballot to vote on.

**WE REQUEST A PUBLIC HEARING.**
